

NOTICE: for all UK Health Professionals - Special Announcement:

**Hear the Physician Who Has Saved More Lives *Than Any Other Doctor* in United States in the Past 20 Years!**

## Special Discussion: “How L-Arginine Will Save a Million Lives by 2012 - Starting with Yours!”

### An Extraordinary Seminar!

Come hear Dr. Joe Prendergast and learn and discover why “Dr. Joe” has been publicly honored by the American Diabetes Association as not only “Father of the Year” for 2008, but the ADA has recognized him for:

- ✓ **Saving More Lives than Any Other Physician in the USA!**
- ✓ **How He Believes Over One Million Lives Can Be Saved by 2012 and How This Will Start with Your Own Life!**
- ✓ **In Clinically Testing and Documenting the Results of More Than 6,000 of His Patients, Over 19 Years, He Has Not Lost One Patient to Heart Attack or Stroke!**
- ✓ **How to Reverse Aging of the Cardiovascular System!**

**Dr. Joe. is the one of the leading experts on diabetes and has pioneered the use of nutraceuticals in modern health care and the business of practicing medicine. His story is remarkable, and this event will really *open your eyes* as he shares his experiences discovering the *keys to reverse aging in the cardiovascular system* (which if unstopped) is the killer of millions of people in the United States every year.**

Hear the critical details of what many people call the *greatest advancement in anti-aging medicine* - L-Arginine. L-Arginine has been the subject of over a decade of research by Dr. Joe and his award winning pioneering peers:

His cutting-edge work and research with Dr. Jack Pfeizer and Dr. Nealy has been the subject of numerous articles and together they have evaluated the results of hundreds of clinical studies and clinical trials focused on L-Arginine and its benefits...

### Dr Joe's Story:

Dr. Joseph Prendergast, Practicing Endocrinologist, 35 years, Synergy Medical Advisory Board, World-Leading endocrinologist, and, developer of L-Arginine based Health Solutions is *a living legend in medicine.*

His advancements and contributions to medicine really accelerated when he began looking for medicines or modalities to stop the premature aging of his own cardiovascular system.

Most amazing Endocrinologist for 20 years  
Synergy Medical Advisory Board

Not only did he stop it, but actually reversed the age of his 37 yr old cardiovascular system from that of an 80 year old to that of a 15-year old! Atherosclerosis was not only halted in its tracks but reversed!

Dr. Joe's patients are the most difficult cases, as he is an endocrinologist specializing severe cases of Diabetes. Despite working with the highest-risk patients possible, Dr. Joe has only had to admit one patient to a hospital in 19 years!

**How Is This Possible? *Come Find Out!***

**Dr. Jack Pfeizer** is a winner of The Nobel Prize of Medicine as a world-renowned vascular surgeon and an expert in venous disease, plus he is a founding director of the Division of Venous Disease at the University of Michigan where he has been awarded a Professorship in Vascular Surgery.

**Dr. Shealy** was instrumental in creating The American Holistic Medical Association and has appeared on numerous national TV programs, including The Tomorrow Show, Good Morning America, the Today Show, Oprah, and scores of regional and local television and radio programs.

Together these three men are changing internal medicine, the practice of delivering quality health care, and anti-aging medicine by forging new ground in the use of L-Arginine which Dr. Joe will discuss in this high-impact and exciting brief on the future of anti-aging medicine!

**Learn Why L-Arginine is Considered by Researchers as the “Ultimate Arterial Cleanser” & Why It Has Attracted Top Healthcare Affiliates of the Mayo Clinic, Johns Hopkins University, and Duke Medical Center...**

**Dr Joe and his team have created a specific integrated formulation of L-Arginine, called ProArgi-9 PLUS, which is blurring the line between nutraceuticals and “medicine”. Because ProArgi-9 PLUS is available without a prescription, anti-aging medicine has been changed forever. Discover how you can incorporate these advances into both your life and your practice of medicine and health care.**

Dr. Joe is a pioneer in cardiovascular health, and has dedicated his career to the advancement of human life expectancy and quality of life, and has discovered through extensive clinical trials that certain compounds have the ability to improve cardiovascular and arterial health dramatically!

- ✓ **L-Arginine has the potential to save millions of lives, including yours and your patients!**
- ✓ **Come discover why and how to incorporate the use of this incredible substance to prolong the lives of your patients and a new elements to your practice!**
- ✓ **This is changing the face of medicine and anti-aging - you don't want to miss it!**

- **Where: TBD**
- **When: *Time will be from 12.00pm - 16.30pm***

- ✓ **Chronic Pain**
- ✓ **Migraine Headaches**
- ✓ **Arthritis**
- ✓ **Depression**
- ✓ **Menopause**
- ✓ **Cancer**
- ✓ **Alzheimers**

**Hear About New Solutions for Your Patients!**

**If You Consider Yourself A Health Professional Then You Must Not Miss This Event!**

## How Old is Your Cardiovascular System?

### Find Out!

When you attend this exciting event, you will have the opportunity to discover your biological age using the new BPRO device that is used by Stanford University and Dr. Joe's Clinic, The Centre of Excellence, to track the aging trend of people participating in *The Save a Million Lives Campaign*.

**This screening tool reveals startling differences between a person's chronological age and their biological / cardiovascular age.**

The BPRO is non-invasive and cost \$15,000,000 to perfect. It is **99.17% accurate** - providing the same reports as an anagram and CAT scan.

People who have paid £800-£1,000 for anagram and cat scans are amazed by the results they have received from the BPRO device, as they match the results they already had.

This is your opportunity to get a **no-cost screening** and learn about this incredible test and how you can incorporate it into your practice and screening processes.

- **Identify premature Arteriosclerosis & Arterial Aging**
- **Monitor the effect of treatment for patients with Hypertension & other Cardiovascular Diseases**
- **Evaluate the efficacy of prescribed lifestyle modification and medications**

## What is ProArgi-9 PLUS?

Nobel Prize Winner, Dr. Louis Ignarro, says ingredients in **ProArgi-9 Plus "can prevent cardiovascular disease and help reverse it - without prescription drugs."**

The efficacy of L-Arginine as a therapeutic agent has been validated by thousands of scientific clinical studies.

ProArgi-9 Plus was formulated in collaboration with leading L-Arginine researchers such as J. Joseph Prendergast and other cardiovascular specialists who have conducted pioneering research in the proper application of L-Arginine in promoting cardiovascular health. These experts have helped create the best L-Arginine product on the market.

L-Arginine is best known for its cardiovascular benefits. In the body, it is converted to nitric oxide, which relaxes the blood vessels. This reduces stress on the heart and improves circulation.

L-Arginine also enhances health in a number of ways: It is the body's major source for nitric oxide synthesis. Without nitric oxide, human life would not be possible. It also reduces blood viscosity. It significantly reduces blood pressure levels.

**ProArgi-9 Plus is a unique product for your patients with far-reaching health benefits and powerful support for the cardiovascular system. ProArgi-9 Plus gives your patients the support needed for a long, healthy life.**

## The Hi Desert Institute Human Clinical Trial Results

The High Desert Heart Institute (HDHI), an affiliate clinic of Cedars-Sinai Hospital, provides stellar primary care and heart disease services to its patient base.

HDHI is currently conducting the most comprehensive human clinical trial conducted on a nutritional supplement. This clinical study is evaluating the cardiovascular and associated benefits of ProArgi-9 Plus.

### Clinical Trail Overview

- ✓ Based On Nobel Prize-Winning Science
- ✓ Usage of ProArgi-9 Plus as integrative L-Arginine
- ✓ 35 High Risk Test Patients
- ✓ Commencement date of Clinical Study is Feb 2nd 2009

### Protocol

- ✓ Under direction of Dr. Prendergast and HDHI Physicians
- ✓ Each patient receives 20 grams am and 20 grams pm
- ✓ 30/60/90 day period data review on patients

### Disease Category Subsets

- ✓ PVD (Peripheral Vascular Disease)
- ✓ Angina
- ✓ Malignant Hypertension
- ✓ Diabetes Mellitus
- ✓ Pulmonary Arterial Hypertension
- ✓ Erectile Dysfunction
